

QUALITY POLICY

AKSH OPTIFIBRE LIMITED

We at **Aksh Optifibre Limited** are engaged in manufacturing of optical fibres & optical fibre cables. We are committed to fulfill customer requirements and enhance customer satisfaction by providing cost-effective and quality products.

This will be achieved through :

- Developing innovative products and capabilities to gain customer confidence.
- Dedication towards process and system improvements through KAIZEN.
- Continually upgrading infrastructure to improve productivity and reduce cost to deliver cost-effective products.
- Delivering quality products and improving customer service.

We are devoted to comply with all applicable requirements and continual improvement of the Quality Managements System.

The policy is communicated to our customers, employees and relevant interested parties.

Revision No.: 01
Date: 05.05.2022
