Bringing Social Responsibility To The Fore

“Shiksha Hamara Swabhiman”

Govt. Senior Secondary School, Reengus has become the leading school of the Sikar district by the contribution and co-operation of AKSH.

Company's focus was to build a top MODEL school of the district by providing the best facilities in the school in session 2016-17:

- Separate toilets for staff members and students.
- Installation of dedicated flooring for prayer assembly.
- Painting & writing programme in school campus.
- Tree plantation drive.
- Well-equipped & diverse library.
- Water purifier for safe & potable drinking.
- Staff room with well equipped furniture & fixtures

“Aksh’s intent and commitment towards social responsibility enabled it to spend ₹ 76 Lakhs, which was above the statutory requirement of ₹ 71 Lakhs in the financial year 2016-17”

“As a result of these activities and initiatives taken by Aksh, the Board examination result in Aksh’s adopted schools achieved 100% passing rate, where in a student of class-12th Science stream, scored 93% marks, which was a remarkable performance and gave a tough competition to private schools as she also secured first position at the Tehsil level ”

- After Aksh's adoption of schools, there was an increase in students' admissions in Aksh's adopted schools: Santhalks School (up by 57%) and in Reengus Schools (up by 45%), out of which 60% were girls.
- 98% result achieved in 10th & 12th board exams 2016 in Govt. Sr. Sec. School, Reengus. 100% in 12th board exam 2017.
- Govt. Sec. School, Santhalka was awarded as Centre for Excellence.
- Due to good infra developed by Aksh, Reengus school got the opportunity to conduct state level sports competition in hockey, volleyball, baseball & badminton.
- Company's skill-development centres in association with Singer India, Rotary Club of Bhiwadi, and USCKM School foster women empowerment.
- Company has successfully installed more than 2500 LED Tube Lights & Bulbs at "Rasik Lal Dhariwal Knowledge City, Vidhyawadi Campus, Desuri Pali", which enabled Monthly Saving of Rs. 50,000 in electricity bill.
- Aksh has been instrumental in massive plantation drive in Bhiwadi and Reengus industrial area to the tune of planting 65,000 trees so far.

As a result of company's incremental contributions and strong belief in corporate consciousness towards making a better, smarter society, company has been honored with many awards and accolades: **Bhamashah Contribution towards Societal upliftment and Manufacturing Association CSR Excellence**

Company's intent is to enable Students to become, doctors, engineers, business persons, agriculture scientists, teachers, lawyers, administrative officers and obtain responsible positions in Government and private sectors. After getting education in Aksh adopted schools in various streams such as science, commerce, arts, agriculture and home science, Students are earning name and fame at village, district, state and national level as well by serving for the betterment and development of our nation. Aksh's adopted schools are dedicated towards providing quality education to all the students in the nearby villages.

Substantial Increase in Student Enrollments After Adoption of Schools by AKSH

Aksh's focus on girl child education lead to significant increase in girls enrollment in it's schools

Thinking Beyond Business...

E-LEARNING SMART CLASS ROOM

Introduced at Aksh adopted schools
in Bhiwadi & Reengus

“At AKSH, we believe in nurturing bliss and prosperity through environment value creation.”

Considering the dense plantation that Aksh did on road from RIICO chowk to Aksh plant, same has been named as “AKSH ROAD” by RIICO office.

Along with the partnership of Rotary Club, Bhiwadi, AKSH recieved “Environment Protection Award” from Rotary District office for planting trees in Bhiwadi.

ADDING SMART TOUCH TO RURAL SCHOOLS

Imparting Quality
Computer Education

WOMEN EMPOWERMENT

Aksh in association with Singer India, Rotary Club of Bhiwadi and USCKM School setup a Skill Development Center at UCSKM School, Bhiwadi.

Mindfulness Through YOGA

Introduced Regular Yoga Classes at Aksh adopted schools in Bhiwadi & Reengus

Plantation & Greenery Drive

At Govt. Sec. School, Santhalka with Drip irrigation system

Rehabilitation of RIICO Park -Reengus (Adopted by AKSH)

Safe Drinking Water

Introduced Water Cooler with R.O. Purifier at Karauli, Bharatpur and Jodhpur

Re-Furbishing of Govt. School Building at Reengus & Bhiwadi

Building Efficiencies Expanding Horizon

A ksh has always been at the forefront of innovation with a singular, relentless focus on its customers. Operating in a niche business category helps the company to offer the best functional benefits to our customers and serve as an enabler in building smart networks for the bigger ecosystem.

Company's business philosophy revolves around a simple tenet: enabling simple, innovative and smart living by being the most efficient 'OF' and 'OFC' producer through innovation, sustain global leadership in FRP rod business, and also to develop, engage and participate in promoting products and services which smarten peoples life.

With a global footprint in more than 70 countries, Aksh has been a leading provider of connectivity, communication & data transmission solutions across multiple segments for over last three decades and has emerged as a global integrated player. It boasts of cutting edge in-house technology in the fields of Optical Fibre, Optical Fibre Cable, Fibre Reinforced Plastic Rods & e-Governance for smarter living.

Aksh has successfully engineered, installed and delivered its turnkey projects, locally and Internationally.

The Major turnkey projects that Aksh has installed and managed are :

Jaipur Smart City

In July 2017 Aksh has been awarded with eminent Jaipur Smart city Project. The project envisages development of Smart City solutions and state-of-art City Operation Centre, an end-to end open platform enabling smart living surveillance, smart parking & effective traffic control services for the city.

Bhutan Project

Aksh has also successfully managed to Connect all villages of Bhutan with Optical Fibre totaling 2600 Km along with Aerial Fibre cable accessories, the project was successfully delivered and was completed in dual phases.

OFC Turnkey Rajasthan

AKSH has offered and installed an integrated set of components, systems, engineering for its turn-key projects in Rajasthan. With already installed Fibre Lead connecting more than 500 offices of Govt. of Rajasthan.

“We saw opportunities where others perceived challenges”

Chairman's letter

Dear Shareholders,

Modern technology has become a major phenomenon for civilization, the re-defining force of a new social order in which efficiency is no longer an option but a quintessential necessity for all human activity. 2017, so far, has been a remarkable year, marking the beginning of a new era that insists and thrives on efficiency. It was a year that witnessed a historic transformation to the Indian Tax system with the implementation of the Goods and Service Tax that is expected to build upon the primary foundation of a good infrastructure and faster adoption of technology.

Indian economy is poised and is on the cusp of a new era of exponential growth and rapid development. This will undoubtedly open up new and unprecedented business opportunities in the country. The Government aims at bringing in major reforms that will make it easier to do business in a corruption-free environment attract investments under the novel 'Make in India' model, development of 100 Smart Cities.

We are living in exciting times where technology is penetrating in every part of our life. It is transforming the way business is done, and raising expectations from technology partners like us. Our clients are now looking at innovative automation solutions through pioneering delivery models that take them closer to realizing their business objectives. Competition is intensifying, but quality of delivery and ability to match steps with the Client's expectations are paramount to us. In such a scenario we are expected to continuously innovate our approach and position our capabilities in the best possible manner in the market.

While we aligned our business approach to market trends, we also looked inward and brought in newer and more innovative ways to connect with our people worldwide. We have always taken great pride in ourselves by delivering superior value to our customers. Being a part of AKSH, our motto is to ensure our customers appreciate and validate the effort put in by our teams. Considering the expanding global demand for Optical fibre, we have also continued towards having our global operational footprints, wherein we have expanded or manufacturing facilities in China, Dubai and Mauritius.

The Indian optical fibre cables (OFC) market is expected to grow in a robust manner due to expansion of telecom infrastructure throughout the country over the next five years. Being the second largest telecom market worldwide, India exhibits high data traffic owing to increasing penetration of smart phones and growing demand for broadband services, thereby creating significant demand for OFC installations. Consumers are increasingly shifting towards internet driven applications like E commerce , HDTV, video on demand and high-speed file sharing. To address the soaring demand for high speed data transmission, the Government of India along with the telecom sector is investing substantial capital in upgrading the country's telecom infrastructure. All these factors are consequently providing a considerable thrust to the OFC market in India. This combined effect has a profound impact on the volume demand for fibre connectivity and high-bandwidth transceivers driving revenue growth of the optical communications industry.

Our focus is always on new technologies on the horizon. In order to strengthen our operations and build excellence in our delivery we have constituted a number of task forces to recommend improvement in various functions including Customer Centricity, Project Management and Quality.

I'd like to thank all our stakeholders, customers, partners, employees, bankers and shareholders for their constant support and commitment that has helped shape the company. We continue to remain strongly focused on our clients and their requirements as we strive towards generating value for them as well as for our shareholders, while gearing up for the bright future.

Thank you !

Dr. Kailash S. Choudhari
Chairman & Managing Director

Dear Shareholders,

In consonance with our spirit of trust, quality and perseverance, AKSH has continuously strived to reinvent itself in tune with changing times. What began with the manufacturing of Optical Fibre Cables, has today transformed into a multi-faceted and multi locational business enterprise, progressively broadening and reinforcing its portfolio with the addition of Optical Fibres, Fibres Reinforced Plastic Rod and Ophthalmic lenses in the manufacturing space and e-Governance & Turnkey solutions in the services space. Over the past three decades your Company has remained an indisputable leader in FRP rods manufacturing and has also improved its positioning in Optical Fibre and Optical Fibre Cables.

The global fibre optics market is poised for a transformational growth trajectory and is predicted to grow at a CAGR of over 10% over the next 3 years. The growing demand for increased network bandwidth is the primary growth driver for this market. With the proliferation of mobile computing devices, such as smart phones and tablets the need for fibre optics is envisaged to increase rapidly.

Growth in internet bandwidth is affected due to factors like the rise in disruptive technologies, which help in shifting of bandwidth usage and mobile computing devices having new capabilities. The major drivers of the smart phone industry are the deployment of next-generation wireless networks like 3G, 4G, and 5G. Consequently, we earmarked last year as a year of consolidation of our business fundamentals, and strategic expansion into newer markets and lucrative sectors, to fuel our growth. In concurrence with the global demand your company has embarked upon the expansion of its manufacturing capacities of OFC in India by more than 100% and started its journey of global presence by expanding its footprints with already announced capacity expansion plans for Optical Fibre & Optical Fibre Cable in Dubai and Mauritius. These plans will be favourable for the overall growth of the company once being rolled out.

Last year has been a memorable year and our customer centric approach has played a major role in the successful achievement of our goals and targets efficiently. We have positioned ourselves as the leaders in FRP manufacturing with more than 200% increase in manufacturing capacities of FRP in our Dubai plant, announcement of manufacturing facilities in China which is the largest consumer of OFC in the world and acquisition of manufacturing facilities in Sylva.

On services side there has been certain major developments during the year. Your Company has been awarded the Jaipur Smart city projects. The project envisages inter alia the development of smart city by laying optical fibre cable, providing smart lighting and IP based traffic surveillance solutions. We are committed towards playing a pivotal role in the development of cities by bringing innovation and technology coupled with planned implementation in order to benefit the citizens at large. In addition to it, we have also stepped into energy sector with an aim to revolutionize it by introducing "Energy Efficient Lighting Programs" wherein your Company intends to provide cost and energy effective lighting products to serve the people across the country. Your Company has also been successful in getting empanelled as a National Level bank Correspondent for Bank of Baroda, in accord with the Prime Minister mission of Banking for everyone. Under this programme, your Company plans to set up banking kiosks primarily in rural areas through its 1 STOP AKSH, an e governance initiative. The key focus area under this will be to create awareness and educate rural habitants about banking and micro finance solutions.

Our diversification plan for manufacturing of ophthalmic lens with capacity of 25 Million pair lens per annum and scalable upto 70 Million pair lens per annum will commence during the current financial year. With focused energy, creativity and discipline this new initiatives will show tangible results in the coming year.

We at Aksh considers CSR as its primary duty towards the society. With this intent we have regularly undertaken steps to elevate and strengthen CSR, across channels and regions. We undertook massive Plantation drives in Bhiwadi and Reengus Industrial Area, and contributed significantly to a greener environment. On the educational front, post our adoption of schools, student enrolment increased significantly in last three years, with increased focus on girl child education, wherein number of girl child enrolment in schools outpaced the enrolment of boys. We are proud to state that the schools adopted by your Company were awarded as the 'Centre for Excellence'.

The performance of your Company and our initiatives going ahead are driven by our diligent people. I on behalf of my colleagues on the Board wish to express my sincere gratitude to all our Employees, both past and present, at all levels for their dedication and integrity. Last but not the least, my sincere thanks to all shareholders and vendors for their continued support and partnership which has been a great source of strength for us.

With warm wishes

Mr. Satyendra Gupta
Deputy Managing Director

Management Discussion & Analysis

Industry Structure And Developments

Global Industry Scenario

The telecom sector is witnessing a convergence of digital, internet and data for the interconnected global economy. It is evolving, innovating and disrupting varied set of technology industries. More so, the demand for digital technologies is increasing, given two pivotal areas of focus for the telecommunications industry: content and Internet Of Things (IoT).

Advancements in network technology and higher speeds is paving the way for enhanced content on any screen and improving data networking experience for the users.

With a chief focus on “connectivity-first,” carriers are leveraging their core strengths, including their networks. However, 2017 and ahead, we are to see a shift toward areas with a higher growth potential that goes well beyond carriers' core connectivity business.

Telecom companies are becoming digital masters – connecting all the touch points of the telecom ecosystem – including wireless/ broadband carriers, network equipment/infrastructure companies and device manufacturers. In addition, wearable devices, internet services and other 'connected things' are proliferating and changing the way manufacturing, transportation, utilities, retail, and hospitality are operating in a 'connected enterprise ecosystem'.

5G trials and initial market deployment also paves the way for designing, building and managing smart networks. This will entail significant rise in the fibre deployment, given the massive potential of 5G to offer 10X more peak data range, since deploying next-generation mobile networks requires greater service portability and interoperability. With the proliferation of mobile and portable devices, there is an imminent need for networks to allow all these devices to be connected transparently, with the network providing high-performance computing and delivering enhanced real-time video and multimedia [which is best coined as a term: content.

The India Growth Story

India is leading digitally, according to a global survey conducted by CA Technologies with Coleman Parks. What is unfolding is a digital-ready economy with new technological developments in the realm of IoT, augmented reality, multi-person video calls, machine-to-machine, and promising consumer trends like connected cars, wearable devices, smart homes, among others.

Transforming business and economy through the perfect alignment between digital leadership and digital capabilities, as a result, it is not just a mandate of the Government, it is cascading down to companies that are making digital investments (in social media, mobile computing, cloud, embedded technologies, and big data), and leveraging this real-time information to improve their market responsiveness – right and fast. These trends have implications on the telecom industry as well. As the number of embedded devices that require mobile connectivity grow, telecommunications companies need to amp up its core businesses such as network security, sale of network equipment and devices. The really exciting part of such data-driven, connected world is that you can peel off information about any region, anytime and at an economical cost.

And with the announcement of Smart Cities projects developed across various cities in India paired with the Digital India initiative delivers a huge promise of 'anywhere, anytime' connected Indian ecosystem. Especially in the context of high performance data networking and telecommunications, India is steadily becoming a staple for manufacturing optical fibre cables that binds and connects different cities, households to cars, and parking systems to healthcare services – all available at the click of a button.

Since the beauty of fiber is that it has nearly unlimited bandwidth potential, a variety of industries including the medical, military, telecommunications, industrial, data storage, networking, and broadcast industries are able to apply and use fibre optic technology in a range of applications.

Talking from India perspective, the IoT market is estimated to rise by about 28% through 2020, corresponding with key drivers of growth like Digital India, Smart Cities, Make in India. About 1.9 billion devices are likely to be connected in India by 2023, further increasing the demand of data consumption across connected devices.

Also, developments in Datacom and high speed broadband markets have pushed the Indian telecom sector to the next phase of growth - bringing more opportunities for optical fiber cable manufacturers in the country. Besides, with increase in rural penetration, scarcity of spectrum is likely to increase further and consequently the demand of fibre optic cables will also increase.

Global Fibre Demand Scenario

**“Global Demand for Optical Fibre
Grew at 16.4% CAGR”**

Artificial Intelligence & Internet of Things (IoT)

Artificial intelligence has undeniable potential in India. AI is the wave which will push this generation towards the next industrial revolution. Robotics surgery has recently made its mark in the health care sector in India and is helping surgeons to achieve higher success rate. We are witnessing rapid adoption of AI and machine learning technology in the advertising & media, finance and retail sectors in this region. Increase in usage of natural language processing technology are contributing to the growth of the artificial intelligence market in India. AI is the wave which will push this generation towards the next industrial revolution. Therefore, whether we talk about self driving cars or the simple autocorrect on mobile; the future of artificial intelligence lies in real time and accurate data driven approach supported by a data management backbone. Media reports claim that, close to 15 million new jobs will be created in the US over the next decade as a direct result of automation and artificial intelligence, equivalent to 10% of the workforce. The new job roles that will dominate the IT workforce are within digital domains only, such as big data, artificial intelligence, internet of things(IOT), cloud computing and cyber security. It is also claimed that India's IOT related business is worth \$1.52 billion, accounting for 44% of the \$3.5 billion global.

Opportunities and Threats

The demand for global optical fibre cable is only seeing an uptick. Growing at a rate of 16% CAGR from 2005 up until present 2017 reflects a tremendous potential for India, as it is highly under-fibrized.

However, with this surge in optical fibre consumption, it can also be a fragile point of discussion while road-mapping the opportunities.

Since 2016, the world's fibre production has been constrained by limited preform capacity. Although the New preform capacity which entered service in 2017, this new capacity has already been exhausted by 10% increase in fibre-demand. The deficit occurred mainly because demand grew faster than preform capacity, as a result, cable makers had orders back up for few months, and this led to run the operations round the clock. Some cable makers are also reportedly said to be booked for the rest of 2017.

It is, however, encouraging to see that Fibre makers/manufacturers have more reasons to invest in preform capacity:

- Lesser dependence on competitors/ Optical Fibre sources, and draw your own capacity
- Achieve cost efficiencies – especially preform and fibre costs
- Scale up production – when needed basis peak/ off-peak load

On the other hand, global IP traffic has grown significantly since 2005 at a measurable pace, which also signifies global data consumption has also increased in direct proportion to the Fibre growth.

Reasons underpin the changing mix of devices and connections and growth in multi-device ownership that affects traffic, and can be seen in the changing device contribution to total IP traffic. A growing number of M2M applications, such as smart meters, video surveillance, healthcare monitoring, transportation, and package or asset tracking, are contributing in a major way to the growth of devices and connections.

Moreover, smart telephony is seeing a spur in growth; given in 2016 alone, according to a recent 2017 Cisco report, the number of mobile-connected tablets increased 26% to 184 million, and the number of mobile-connected PCs increased 8% to 136 million. In addition, average Smartphone usage grew 38 percent in 2016.

Factors driving this trend are because of new network capabilities that have generated uptake of newer advanced mobile services such as augmented reality and virtual reality. The continuous evolution towards enhanced bandwidth, latency, security and openness of mobile networks broadens the range of applications and services that can be deployed are creating a highly enhanced mobile broadband experience. The expansion of wireless access (both cellular and Wi-Fi) also increases the number of consumers who can access and subsequently rely on mobile networks, creating a need for greater economies of scale. As a part of this expansion, fibre serves as a strong backbone for every network via leveraging the overall sector-wise growth; be it utilities, mining, Oil & Gas, telecommunications, military/ aerospace, and others.

FRP Manufacturing Facility, Dubai

Choosing a diverse market portfolio will help you have a sustainable, competitive advantage. As a result, Aksh has strategically chosen international markets that have the maximum demand for optic fibre cables. Although, the domestic market is promising, but it still needs to mature to give a larger market pie of OFC, OF and FRP rods for making better profit margins. And so, Aksh is intelligently straddling in terms of allocating its product portfolio between domestic and international markets. That way, we are hedging our business profits better when finding the right geographical mix.

“Aksh has strategically chosen international markets that have the maximum demand for optic fibre cables.”

Segment-wise or product-wise performance

FRP Rods

Aksh is one of the largest FRP rod producer with a sizable market share, supplying to most of the major Optical Fibre Cable manufacturers across the globe. The biggest revenue generating market for FRP in sales in 2016-2017 has been North America, standing at 38% of the revenue mix, closely followed by Europe and Middle East.

AKSH Edge: The two key raw materials, optical fibre and FRP rod, constituting 70% of cost of optical fibre cables are manufactured in-house. All our FRP manufacturing facilities are ISO 9001 and ISO 14001 certified.

Company planned expansion in FRP manufacturing facilities and diverse sales network in more than 40 countries across 6 continents is expected to increase substantially, whereby undertaking ongoing capacity expansion by more than 2 times of existing capacity. Company currently has FRP manufacturing facilities in Reengus (Rajasthan), Dubai at JAFZA and Silvassa. Company is also in a process of setting up another FRP production facility in Jiansu (China).

Optical Fibre

Aksh's optical fibre product range includes:

- Low Water Peak Fibre (G652 D)
- Non-Zero Dispersion Shifted Fibre (G655)
- Bend Sensitive Fibre (G657 A1 / A2)
- Multimode (62.5 / 50 / OM3/OM4) Optical Fibre
- Tight Buffered Fibre (900 μ / 600 μ / 200 μ)

Optical Fibre Cable

According to Research and Markets report released last year (2016), the global fiber optics market to grow at a CAGR of 9.49% during the period 2016-2020.

Corresponding to the global fibre optics demand, Aksh's OFC sales are intended to capture the highly diverse and fragmented export market.

Company's OFC product range includes: Duct Cables, Armoured Cables, Aerial/ ADSS Cables, Indoor/ Outdoor Cables, Micro/ FTTH Cable, Ribbon Cables, Special Cables.

Speaking of company product performance, OFC has seen sizable increase in production at company's existing manufacturing facility in Bhiwadi, Rajasthan, with more than 24% jump in sales in FY17.

AKSH EDGE:

- ✦ Stringent quality control at every stage
- ✦ World class test equipment from reputed & marque organizations from U.S.A. & Japan

Outlook

Aksh is aggressive when it comes to growth and its expansion plans: that underpin our operational excellence (manufacturing process, testing, workflow), listening to our customers' pain points and areas of acceleration intently, and being market responsive through building qualified consensus on a leadership level. Company envisions to earn a bigger market stake – globally – in all its products/services – be it OF, OFC, FRP, and e-governance services.

“Company envisions to earn a bigger market share globally”

Expansion horizons

Armed with adopting methodologies like Six Sigma and Lean Manufacturing, and value systems that are rooted in our Kaizen culture, company has expanded and doubled its OF & OFC manufacturing capacity in its Bhiwadi plant facility. Company is also planning to expand its operations in lucrative international markets like Dubai and China, wherein company is in a process to set up another optical fibre capacity of 4 Mn FKM in JAFZA, Dubai.

Aligned with the increasing global demand for OFC, company is also setting up an OFC manufacturing facility in Mauritius. In addition, Company is increasing its global production capacity for FRP rods in China to cater to the outburst in the global demand for the FRP rods, which is an essential component for OFC production.

✦ **Complete testing facility for all kinds of optical, geometrical, fibre reliability and environmental tests testing facilities as per global test standards ITU-T, CCITT, IEC**

Company's expansion plans are also diversifying into other relatable and lucrative business category of ophthalmic lens.

Company has set up its ophthalmic lens plant in Kahrani, Rajasthan, with an initial production capacity of 25 million pairs of lens per annum. Going forward, basis the market response, company plans to scale it up to 70 million pairs of lens per annum, for this company has already developed the required infrastructural setup at the Kahrani facility.

Given the Indian ophthalmic market demand of 7 lac lens per day and with no other organized player, going forward, company envisions itself as a principal player in the ophthalmic market. The Aksh advantage in the ophthalmic market as compared to China shall lie in:

- Offering finest quality product at affordable prices to wholesalers & retailers.
- Leveraging its existing distribution network via E-mitra for wider reach.
- Shifting Indian market to A grade lens at a competitive price.
- Round-the-clock production.
- Easy accessibility & availability to domestic market as compared to China.
- Reduction in operating cost.
- 70% planned women workforce, leading to women empowerment.

“As one of the early entrants in the e-governance space, company is one of the largest e-governance service providers in Rajasthan.”

e- Governance Services

Following the government's initiative to drive better governance, knowledge and universal phone connectivity, company is starting to see shift from e-governance to m-governance i.e., mobile governance. The government is introducing Broadband Highways, Universal Access to Mobile Connectivity, Public Internet Access Programme, branchless banking, remote health, remote education, wi-fi hotspots, IT for Jobs, and much more. Such developments aim to provide high-speed optical fibre network potentially in 2.5 lac gram panchayats, which although is underway, but looks promising for us to participate in the flagship digital India infrastructure project.

Company plan to work in close collaboration with the government to lay impetus on the three areas of focus:

- **Infrastructure as a utility to every citizen**
- **Governance and services on demand, and**
- **Digital empowerment of citizens**

As one of the early entrants in the e-governance space, company is one of the largest e-governance service providers in Rajasthan.

To realize the vision of Digital India, company's immediate focus is to use technology for service delivery, e-healthcare, transform government processes by delivering government services electronically to the citizens through automation, process re-engineering, and interoperable systems via multiple modes. Along the similar lines, company has partnered with Bank of Baroda, as a national banking correspondent, and looking to partner with more financial institutions and banks to offer multiple common service centre kiosks, improve service process delivery, and offer e-mitra services that include bills/ recharge, ticket booking, micro ATM and pay point, aadhar enrollment and e-healthcare. Aksh has successfully connected 400 villages in on Optical Fibre Network.

Smart Cities

In alignment with the government's plan to 100 smart cities by 2022, Aksh has forayed into Smart Cities with a vision for planned development and progressive growth in various cities of the country. Company is creating a platform through growth of infrastructure via laying optical fibre cables.

As a key contributor in the Jaipur Smart City project, company will deploy Optical Fibre Cable network to install and manage the smart city Wi-Fi network, Smart LED lighting system for energy efficiency, IP based surveillance system with Vehicle Identification and Counting, environment sensors for monitoring the environment, smart parking systems, and smart communication.

Company's approach is to build a highly secured network platform; a data framework management to help enable data collection, organization, and distributed compute and storage services, location services, and security services. The mandate is not just to install the network; company is also managing the Jaipur Smart City project for 5 years as well, which is helping it to build a launch pad for integrating its services into upcoming Smart Cities projects in India.

Addressing Business Risks

Every business is marked by a variety of risks. Aksh identify and assesses risks associated with its business and correspondingly undertakes strategic measure to minimise losses and maximise realisations.

Employee Risk

Implication

Inability to attract and retain efficient and skilled employees can adversely impact the Company's growth.

Risk mitigation

- The Company follows a regularised and merit-based recruitment process, supported by structured and precise selection procedures to avoid chances of discrimination.
- The Company's fair evaluation process and unbiased performance appraisal system help sustain the quality workforce.
- Company encourages people with various rewards and recognitions. This helps in retaining employees.
- Employee engagement activities also strengthen the employer-employee relationship, thus facilitating a congenial environment.

Technology Risk

Implication

Lack of technological upgradation affects the Company's production process.

Risk mitigation

- The Company adopted best-in-class technology from renowned international equipment providers.
- Consistent investment in technology upgradation enabled the Company to stay ahead of the curve.
- Consistent increase in average realisations through re-engineering and improvisation.
- A strong technical team always monitors the entire process to ensure stability.

Forex Risk

Implication

Volatility in global currencies can impact profitability.

Risk mitigation

- The Company maintains a balance between exports receipts and imports payments, creating a natural hedge against adverse currency fluctuations.
- Company also executes forward contracts to safeguard against currency volatility.

Economic Slowdown

Implication

The risk of economic slowdown and its impact on the demand for Company's products

Risk mitigation

- India continues to be one of the fastest growing economies in the world, remaining relatively unscathed even in the face of global turmoil.
- Renewed government focus on digital india and other key areas, including fiscal prudence, online infrastructure, power & rural sectors, is expected to stimulate the economy and lay the foundation for growth rates of 8 per cent or higher in the next couple of years.
- Further, growing urbanisation and rise in the middle class is expected to drive consumption in India. With its strong market presence and brand equity, Company strives to catalyse the demand for its products.

Liquidity Risk, Funding & Other Financial Risks

Implication

Inability to meet short term financial demands and risks related to the cost and availability of funds to meet business needs.

Risk mitigation

- Company's financial risk management is based upon sound economic objectives and good corporate practice. The Company negotiates funding requirements in a timely manner, thus ensuring that there is sufficient margin to mitigate the risk of lack of availability of funds.
- Company's superior credit profile and strong relationship with lenders allows it to tie up optimal financing mix at competitive costs. Company also strives to manage its debt portfolio, by actively exploring opportunities to reduce cost of existing long-term debt, as well as to increase the average maturity of its proposed debts to optimal level
- The company is working on the plans to lower the working capital requirements by striving to optimise amount of receivables & inventories and extending the maturities of payables.

Market Conditions & Growth

Implication

Adverse trends in the infrastructure development may impact demand of AOL products.

Risk mitigation

- Improvement in macro-economic stability is expected to drive investments in infrastructure development, which in turn will push demand for the Company's products. Additionally, the government's vision of 'Digital India' is expected to provide a thrust to infrastructure development.
- The extreme competition in telecom sector also expected to benefit the industry. Economic growth, web based technological advancement and aspirations to improve lifestyle, is expected to stimulate expenditure on new infrastructure, thus pushing the demand for it's products.
- Moreover, the Company maintains a healthy balance between its domestic and global customers. During the year under review, the OF / OFC diversified its customer base & increased its dependence on global customers, where as Its FRP division have consistently achieved more than half of indian export market, thus further curtailing the risk factor.

Competition

Implication

Market conditions remain highly competitive, which could lead to increased downward pressure on sales, prices and profit margins.

Risk mitigation

- The presence of brands at every market makes Company connect with a wider customer profile. The Company has a formidable reputation and legacy in the business of optic fibre cable & cable re-inforcement solution, which gives it a competitive edge vis-à-vis market peers.
- The Company brand enjoys top-of-the-mind recall and is amongst the top leaders in the industry. Further, focussed expenditure on advertising and promotional activities has enabled Company to reinforce the strength, appeal and relevance of its brand.
- The wide distribution network and after-sales service enables the Company to reach out to global customers better, encouraging brand loyalty. Anticipating the aspirations of its customers, the Company remains focussed on creating exclusive products that will enable it to hold its own in a competitive market place.

Raw Material Risk

Implication

Any inconsistency in the supply of raw materials or price volatility affects the entire production process & company's profitability.

Risk mitigation

- The company have entered into Long Term Agreements for procuring raw materials to ensure appropriate material availability at best prices.
- Company maintains a stock of raw materials that can be used in case of any inconsistency in supply.
-

Product Exnovation & Substitution

Implication

Failure to anticipate and meet customer requirements may adversely affect market price.

Risk mitigation

- Company has an extensive range of products range across the value chain to reach out to more customers and drive market penetration.
- Through its extensive market insights and R&D efforts, the Company is continually exploring new horizons in products and services, in line with customer aspirations.
- Embracing cutting edge technology, using cost-effective raw materials, and deploying improved processes, the Company is making available an array of quality products to customers.
- Though the fibre re-inforcement plastic rods and aramid re-inforcement plastic rods faces a growing threat from steel rods, fibre and aramid re-inforcement rods is expected to witness sustained growth as the material continues to remain a superior central strength member owing to its unique property such as dielectric which helps to use rods close to high tension wires and lightning, corrosion resistant, lesser cable weight due to lesser weight to strength ratio & smaller bending radius.

Quality

Implication

Inconsistent product quality could lead to customer dissatisfaction, hampering reputation, sales and business.

Risk mitigation

- At AOL, quality control is a top and an uncompromising priority. The Company has stringent and exhaustive quality checks, in line with international standards, at every stage of manufacturing.
- The plant is accredited with ISO: 9001, ISO: 14001 and OHSAS: 18001 certifications. Load testing is done for random products and if any discrepancy is found, the entire batch is rejected. Additionally, the Company continues to improve resource utilisation and minimise in-process rejections by leveraging quality tests across all facilities.
- Going forward, the Company remains focussed on improving quality systems and their effectiveness to lessen the incidence of this risk, and simultaneously improve operational efficiencies.

Operational Challenges

Implication

Cost pressures and reduced productivity could negatively impact operating margins and expansion plans.

Risk mitigation

- Company is consistently strengthening the business by making the operations more competitive and disciplined. Concentrated efforts to reduce costs and enhance productivity have yielded tangible results, with a marked reduction in controllable costs.
- Productivity has been improved across all the plants through debottlenecking and capacity augmentation; steps for further improvement are being taken.
- By leveraging best manufacturing practices and processes, enhancing capacity utilisation, renegotiating prices with suppliers, and reducing wastages, Company has been able to improve operational efficiencies.

Internal Controls and Adequacy

The Company believes that a strong internal control framework is necessary for business efficiency, management effectiveness and safeguarding assets. Led by a strong legal compliance focus, combined with high values of integrity and ethical behaviour, the Company has a well-established framework of internal controls and procedures. These cover all financial and operating functions, and are commensurate with the nature of its business and the size and complexity of its operations.

The Company regularly revisits the risks in totality to ensure that managing or mitigating risk strategies are in place. Continuous efforts provide a reasonable assurance with regard to maintaining accounting controls and safeguarding assets from unauthorised use or losses. The audit committee continuously monitors the adequacy and effectiveness of the internal controls environment across the Company, and also the status of compliance with operating systems, internal policies and regulatory requirements.

Internal Financial Controls

Your Directors have laid down internal financial controls to be followed by the Company and that such internal financial controls are adequate and are operating effectively. In this regard, your Board confirms the following:

- i. Systems have been laid to ensure that all transactions are executed in accordance with management's general and specific authorisation. There are well-laid manuals for such general or specific authorisation.

FUTURE OUTLOOK

a. Optical Fibre/Optical Fibre Cable/FRP Rod

With data communication sectors opening up new vistas, the Optical Fibre Cable (OFC) industry is undergoing significant advancements. While, the global demand for Optical Fibre grew at 16.4 % CAGR since 2005, the OFC market in India is projected to reach USD 424 million by 2020 with a CAGR of over 13 percent between 2016-2021. This is anticipated on the account of growing adoption of smart phones, broadband services and the 4G rollout. Since global data consumption is directly proportional to the Fibre growth, Global IP traffic solely drives the fibre demand.

The Government has increased the allocation for the BharatNet project, a nation-wide broadband programme, to Rs. 10,000 crore and approved the second phase of its ambitious project BharatNet for Rs 18,792 crore along with a new deadline for the project to March 2019. By the end of 2017-18, high speed broadband connectivity on optical fibre will be available in more than 1,50,000 gram panchayats, with WiFi hotspots and access to digital services at low tariffs. The government plans to set-up a DigiGaon initiative to provide tele-medicine, education and skills through digital technology. BharatNet will be able to bridge the digital divide in rural and remote areas of the country by providing robust and reliable network infrastructure for the proliferation of affordable broadband. It will also facilitate electronic delivery of services to citizens of various e-governance, e-commerce, e-education, and e-health services.

b. Services Division: 1 STOP AKSH

E-Governance is an archetype of development in emerging economies and Aksh has been at the front position, infusing innovative technologies to its diversified portfolios, to help India in bringing its economic development in the grid of fastest growing economies.

With the usage of Information Technology growing at a torrid pace, Indian Government is making numerous efforts to provide services to its citizens through e-Governance. E-Governance plays an integral role in the 'Digital India' campaign and successfully delivers government services electronically to assure efficiency, transparency and reliability of these services at affordable costs.

Leveraging e-Governance services has a myriad of advantages over traditional methods such as:

Aksh has more than 10,000 registered e- mitra kiosks in Rajasthan, covering 33 districts with 276 blocks and 5884 Gram Panchayats. These kiosks provide access to integrated services with eased processes including O.P.D Registration, Medical services, Bills and Recharge, Ticket Booking, National ID/ PAN card and even Passport, Land Records, Micro ATM and many more. Besides, Aksh is in a Banking correspondence contract with Bank of Baroda, to promote banking services. Services comprise of opening of Saving bank, Time Deposit & Recurring Deposit accounts, collection of biometric and demographic details, providing Micro Insurance and processing loan applications. The key focus areas for Aksh will be to create awareness and educate rural habitants about savings habits, use of micro finance solution & RuPay card, along with imparting knowledge about optimal funds management practices and debt counselling. **In addition, over 100 Lakhs Aadhaar have been enrolled nationwide, under UIDAI project.**

c. Diversification

Ophthalmic Lenses

Aksh is targeting to be the pioneer in manufacturing Ophthalmic Lenses in

the country with an objective to make India self-reliant and targeting women empowerment by employing 70% of the women workforce its lens facility. Presently, the sector is unorganised with a handful of players only, Aksh will bring in a new ray of light with 'shifting Indian market to A grade lens at competitive prices', 'round the clock production along with the main focus on reduction in operating costs, management is extremely confident about its lens project to augur well for the overall growth of the organisation.

d. Expansion

During the year Aksh ventured on the inorganic journey by acquiring Unitape Mandovi Composites Private Limited (name changed to Aksh Composites Private Limited) in Silvassa, for expanding its FRP footprints, having a production capacity of 2.16 Lakhs km/annum.

CORPORATE GOVERNANCE REPORT

CONTINUED DEDICATION TO CORPORATE FAIRNESS, TRANSPARENCY AND ACCOUNTABILITY

Your Company believes in conducting its affairs with the highest levels of integrity, proper authorizations, accountability, disclosure and transparency. The Company strongly believes in maintaining a simple and transparent corporate structure driven solely by business needs. Shareholders' interests are on utmost priority and the management is only a trustee to carry out the activities in a truthful and fruitful manner.

The details of the Corporate Governance compliance by the Company as per the Regulation 34(3) and Schedule V of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (hereinafter referred as "Listing Regulations, 2015") entered into with Stock Exchanges are as under:

1. COMPANY'S PHILOSOPHY ON CORPORATE GOVERNANCE

AKSH is committed to attain the highest levels of transparency, accountability and equity in all facets of its operations and in all its interactions with its shareholders, employees, government, lenders and the society at large. The underlying goal of the Company is to enhance its overall enterprise value and retain the trust and faith of all its valuable stakeholders, over a sustainable tenure.

Good Governance is an essential and integral part of corporate success and sustainable economic growth encouraging the efficient use of resources and equally to require accountability for the stewardship of those resources.

In addition to the adherence to its philosophy and values, the Company has also complied with the Regulations & Schedule as per Listing Regulations, 2015, which deals with the compliance of Corporate Governance requirements. A detail, in line with the same is as follows:

2. THE BOARD OF DIRECTORS

Composition

The Company's policy is to maintain an optimum balance of Executive & Non-Executive Directors as per Regulation 17(1) of the Listing Regulations, 2015. The Composition of the Board and category of Directors is as follows:

Category	Name of Director(s)
Promoter & Chairman & Managing Director	Dr. Kailash S Choudhari
Deputy Managing Director	Mr. Satyendra Gupta*
Non Executive Non Independent Director	Mr. B. R. Rakhecha
Independent Directors	Mr. Amrit Nath Mr. D. K. Mathur** Ms. Devika Raveendran

*Ceased to be Chief Financial Officer of the Company and appointed as Deputy Managing Director of the Company w.e.f. May 28, 2016, for a term of 3 years till May 27, 2019.

** Ceased to be Director w.e.f. August 12, 2017.

During the financial year 2016-17 Mr. Narendra Kumbhat, Independent Director, ceased to be Director of the Company w.e.f. September 19, 2016 and in the Financial year 2017-18, Mr. Gauri Shankar was appointed as an Additional Director (Non-Executive, Independent Director) of the Company for a period of 5 years till April 7, 2022 subject to regularization/approval in the ensuing Annual General Meeting.

As per the statutory requirements of Regulation 26(1) of the Listing Regulations 2015, as entered with the Stock Exchanges none of the Directors on the Board of your Company are holding directorships in more than 15 Public Companies and memberships of more than 10 Committees along with the Chairmanships of not more than 5 Committees across all the Companies in which they are Directors. All the Non- Executive Directors except Independent Directors, on the Board of your Company are liable to retire by rotation unless otherwise specifically approved by the shareholders.

As per the statutory requirements of the Listing Regulations, 2015 all the Independent Directors on the Board of your Company are experienced and renowned persons from their respective fields. They take active part in the Board and Committee meetings which add value in the decision making process of the Board of Directors.

Board Functioning & Procedure

The Company believes that the core of its corporate governance practice is the Board, which oversees how the management serves and protects the long-term interests of all stakeholders of the company. An active, well-informed and independent Board is necessary to ensure the highest standards of corporate governance. The Company believes that composition of Board is conducive for making decisions expediently, with the benefit of a variety of perspectives and skills, and in the best interests of the Company as a whole rather than of individual shareholders or interest groups.

In accordance with the provisions of Regulation 17(2) of the Listing Regulations 2015, the Board meets at least once in every quarter to review the quarterly results and other items of agenda as required under Listing Regulations 2015, and if necessary, additional meetings are held. The Chairman of the Board and the Company Secretary discuss the items to be included in the agenda and the agenda is sent in advance to the Directors along with the draft of relevant documents and explanatory notes.

During the financial year ended on March 31, 2017, the Board of Directors had 6 (Six) meetings with not more than one hundred and twenty days gap between any two meetings. The date of Board Meetings held during the year is as follows:

(i) April 23, 2016 (ii) May 28, 2016 (iii) August 13, 2016
(iv) November 11, 2016 (v) January 14, 2017 (vi) February 14, 2017.

The Board of Directors granted leave of absence to the absentee Directors in the respective Board Meetings.

Separate Independent Directors' Meetings

As per the provisions of the Companies Act 2013 & Regulation 25(3) of Listing Regulations 2015, the Independent Directors have to meet at least once in a year, without the presence of Executive Directors or Management representatives.

The Independent Directors met once, i.e. on May 28, 2016 during the Financial Year ended March 31, 2017 to take note of the following activities to be undertaken by them:

- the performance of non-Independent Directors and the Board as a whole;
- the performance of the Chairperson of the Company, taking into account the views of Executive Directors and Non- Executive Directors;
- the parameters for evaluation of Independent Directors; and
- the quality, quantity and timeliness of flow of information between the Company management and the Board that is necessary for the Board to effectively and reasonably perform their duties.

Directors' Induction and Familiarization

The provision of an appropriate induction programme for new Directors and ongoing training for existing Directors is a major contributor to the maintenance of high Corporate Governance standards of the Company. The Company Secretary is responsible for ensuring that such induction and training programmes are provided to Directors. The Independent Directors, from time to time request management to provide detailed understanding of any specific project, activity or process of the Company. The management provides such information and training either at the meeting of Board of Directors or otherwise.

The induction process is designed to:

- build an understanding of Aksh, its businesses and the markets and regulatory environment in which it operates;
- provide an appreciation of the role and responsibilities of the Director;
- fully equip Directors to perform their role on the Board effectively; and
- develop understanding of Company's people and its key stakeholder relationships.

Upon appointment, Directors receive a Letter of Appointment setting out in detail, the terms of appointment, duties, responsibilities and expected time commitments.

In addition to the induction and training provided as part of the familiarization programme, the Independent Directors are also taken through business activities of the Company in the Board meetings to discuss future strategy.

The details of Director's induction and familiarization are available on the Company's website at www.akshoptifibre.com/policies/

Board Evaluation

The Nomination and Remuneration Committee of the Company has approved an Evaluation Policy, adopted by the Board of Directors. The policy provides for evaluation of the Board, the Committees of the Board and individual Directors, including the Chairman of the Board.

Upon conclusion of the F.Y. 2016-17, the Evaluation was completed by the Company which included the Evaluation of the Board as a whole, Board Committees and Directors. The Evaluation process focused on various aspects of the Board and Committees functioning such as composition of the Board and Committees, experience and competencies, performance of specific duties and obligations, governance issues etc. Separate exercise was carried out to evaluate the performance of individual Directors on parameters such as attendance, contribution and independent judgment.

The results of the Evaluation were shared with the Board, Chairman of respective Committees and individual Directors. Based on the outcome of the Evaluation, the Board and Committees have agreed on the action plan to improve on the identified parameters.

Performance Evaluation of Independent Directors:

Pursuant to Regulation 17 of Listing Regulations, 2015 and Schedule IV of Companies Act, 2013, the Board had carried out the evaluation of Independent Directors as per the criteria laid by the Nomination and Remuneration Committee and adopted by the Board.

Code of Conduct

The Board of Directors has adopted the Code of Conduct and Ethics for Directors and Senior Management personnel. The Code has also been posted on the Company's website : www.akshoptifibre.com

The Code has been circulated to all the members of the Board and senior management personnel and the compliance with the Code of Conduct and Ethics is affirmed by them annually.

A declaration signed by the Chairman & Managing Director of the Company is given below:

This is to certify that, to the best of my knowledge and belief, for the financial year ended on March 31, 2017, all Board members and Senior Management Personnel have affirmed compliance with the code of Conduct for Directors and Senior Management respectively.

INDEPENDENT AUDITORS' REPORT

To The Members of AKSH OPTIFIBRE LIMITED

Report on the Standalone Financial Statements

We have audited the accompanying Standalone Financial Statements of AKSH OPTIFIBRE LIMITED ('the Company'), which comprises the Balance Sheet as at March 31, 2017, Statement of Profit and Loss and Cash Flow Statement for the year than ended and a summary of significant accounting policies and other explanatory information and also the financial information of APAKSH Broadband Limited, (together referred to as merged entities), for the year ended on that date, consequent to obtaining necessary regulatory approvals for their merger into the Company (hereinafter reference to the Company includes merged entities) with effect from April 01, 2016 in case of merged entities. This report is issued in supersession of our earlier report dated May 22, 2017, to the extent of matters stated in emphasis of matters below.

Management's responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation & presentation of these Standalone Financial Statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act as applicable. This responsibility also includes the maintenance of adequate accounting records in accordance with the provision of the Act for safeguarding of the assets of the Company and for preventing and detecting the frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of internal financial control, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these Standalone Financial Statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matter's which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Financial Statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the standalone financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the standalone financial statements that give true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements, give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:

- in the case of the Balance Sheet, of the state of affairs of the Company as at March 31, 2017;
- in the case of Statement of Profit and Loss, of the Profit for the year ended on that date; and
- in the case of the Cash Flow Statement, of the cash flows for the year ended on that date.

Emphasis of Matter

We draw attention to Note 40 of the accompanying standalone financial statements. The standalone financial statements of the Company for the year ended March 31, 2017 were earlier approved by the Board of Directors at its meeting held on May 22, 2017. These standalone financial statements have been revised by the Company so as to give effect to the schemes of amalgamation under Sections 391 to 394 of the Companies Act, 1956 and Sections 230 to 236 of the Companies Act, 2013 and other applicable provisions of the Companies Act, 1956 and Companies Act, 2013, of APAKSH Broadband Limited (Subsidiary Company), into the Company, consequent to obtaining approvals from Honourable National Company Law Tribunal, vide its order dated November 08, 2017, with effect from appointed date, April 01, 2016 for the merger. As a result, the aforesaid standalone financial statements have been revised by the Company to give effect to the said scheme of amalgamation. Accordingly, we are issuing this revised report, on the revised standalone financial statements of the Company for the financial year ended March 31, 2017 in supersession of the original report dated May 22, 2017, which hereby stands withdrawn. Our opinion is not modified in respect of these matters.

“Annexure A” to the Independent Auditors' Report

Referred to in paragraph 1 under the heading 'Report on Other Legal & Regulatory Requirement' of our report of even date to the financial statements of AKSH Optifibre Limited (“the Company”) for the year ended March 31, 2017:

- i. (a) The Company has maintained proper records showing full particulars including quantitative details and situation of fixed assets.
- (b) According to the information and explanation given to us, fixed assets except the assets installed at customer premises have been physically verified by the management during the year. No material discrepancies were noticed on such verification. In our opinion, frequency of physical verification of fixed assets is reasonable.
- (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties are held in the name of the Company.
- ii. According to the information and explanation given to us, physical verification of inventory has been conducted at reasonable intervals by the management. The discrepancies noticed on verification between the physical stocks and the book records were not material and have been properly dealt with in the book of accounts.
- iii. According to the information and explanation given to us, the Company has granted unsecured loans to its two wholly owned subsidiaries, covered in the register maintained under Section 189 of Companies Act 2013.
 - (a) In our opinion, the rate of interest and other terms and conditions on which the loan has been granted to its subsidiaries, covered in the register maintained under Section 189 of the Act was not, prima facie, prejudicial to the interest of the Company.
 - (b) In respect of loans granted to subsidiaries covered under section 189 of the Act, the terms of arrangement for payment of principal and interest are payable on demand. Accordingly, the provisions of paragraph 3 (iii) (b) of the Order are not applicable to the Company.

- (c) In respect of the aforesaid advances, as per the information made available to us, there is no overdue amount as at year end.
- iv. According to the information and explanation given to us, in respect of loans, investments, guarantees and security, the Company has complied with the provisions of section 185 and 186 of the Companies Act, 2013, to the extent applicable.
- v. According to the information and explanations given to us, the Company has not accepted any deposits from the public as mentioned in the directives issued by Reserve Bank of India and provisions of sections 73 to 76 of the Companies Act, 2013 or any other relevant provisions of the Act and the rules framed thereunder.
- vi. We have broadly reviewed the books of account relating to materials, labour and other items of cost maintained by the Company pursuant to the Rules made by the Central Government for the maintenance of cost records under sub section (1) of section 148 the Companies, 2013 and we are of the opinion that prima facie the prescribed accounts and records have been made and maintained.
- vii. (a) According to the information and explanations given to us and according to the books and records produced before us, the Company is regular in depositing with appropriate authorities undisputed statutory dues including provident fund, investor education protection fund, employees' state insurance, income tax, sales tax, wealth tax, service tax, custom duty, excise duty, Cess and other material statutory dues applicable to it.

According to the information and explanations given to us, no undisputed amounts payable in respect of income tax, wealth tax, Service Tax, sales tax, custom duty, excise duty and Cess were in arrears, as at March 31, 2017 for a period of more than six months from the date they became payable.

- (b) According to the information and explanations given to us, there are no dues of income tax or sales tax or wealth tax or service tax or duty of customs or duty of excise or value added tax or cess which have not been deposited on account of any dispute except of the following amounts: -

“Annexure B” to the Independent Auditor's Report

(Referred to in paragraph 2(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of AKSH OPTIFIBRE LIMITED (“the Company”) as of March 31, 2017 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (the 'Guidance Note'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2017, based on internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes to Financial Statements

for the year ended March 31, 2017

1. CORPORATE INFORMATION

Aksh Optifibre Limited is a public Company domiciled in India and incorporated under the provisions of the Companies Act, 2013. Its shares are listed at The Bombay Stock Exchange Limited and The National Stock Exchange Limited in India. The Company is engaged in the manufacturing and selling of Optical Fibre, Optical Fibre Cable, Fibre Reinforced Plastic Rods and Impregnated Glass Roving Reinforcement. The Company caters to both domestic and international markets. The Company also provides the E Governance services, FTTH and Internet Protocol Television (IPTV) services in North India.

2. BASIS OF PREPARATION

The Financial Statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards notified under Companies Act, 2013. Additional disclosures specified in the Accounting Standards shall be made in the notes to accounts or by way of additional statement unless required to be disclosed on the face of the Financial Statements. Similarly, all other disclosures as required by the Companies Act, 2013 shall be made in the notes to accounts in addition to the requirements set out in this Schedule.

2.1. SIGNIFICANT ACCOUNTING POLICIES

a) Use of Estimates

The preparation of the Financial Statements is in conformity with the generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent liabilities at the date of the Financial Statements and the reported amount of revenues and expenses during the reporting year. Difference between the actual result and estimates are recognized in the year in which the results are known/materialized.

b) Fixed Assets

- i) Property plant and equipment and intangible fixed assets are stated at cost of acquisition less accumulated depreciation and impairment. Cost includes any borrowing costs directly attributable to the acquisition/ construction of fixed assets and bringing the assets to its working condition for its intended use.
- ii) Exchange difference arising on account of liabilities incurred for acquisition or construction of Fixed Assets is adjusted in the carrying amount of related Fixed Assets.

c) Capital Work-in-Progress

Costs of assets not ready for use before the year-end and expenditure during construction period that is directly or indirectly related to construction, including borrowing costs are included under Capital Work-in-Progress.

d) Depreciation

Depreciable amount for the property, plant and equipment's is the cost of an asset, or other amount substituted for cost, less its estimated residual value based on the technical advice.

Depreciation on Property plant and equipment's has been provided on the straight-line method as per the useful life prescribed in Schedule II to the Companies Act, 2013 except in respect of the following categories of assets, in whose case the life of the assets has been assessed as under based on technical advice, taking into account the nature of the asset, the estimated usage of the asset, the operating conditions of the asset, past history of replacement, anticipated technological changes, manufacturers warranties and maintenance support, etc.:

Particulars	Useful life in years
Factory Buildings	28
Plant and equipment including Telecom Networking, Testing instrument, electrical equipment's, Fork lift and office equipment	20
Furniture and fixtures	15
Data Processing System	5

Leasehold land is amortized over the duration of the lease. Intangible assets are amortized over their estimated useful life on straight line method.

e) Impairment of Assets

- i) The carrying amounts of assets are reviewed at each balance sheet date if there is any indication of impairment based on internal/external factors. An impairment loss is recognized wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the asset's net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted at their present value at the weighted average cost of capital.
- ii) After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life.
- iii) A previously recognized impairment loss is increased or reversed depending on changes in circumstances. However, the carrying value after reversal is not increased beyond the carrying value that would have prevailed by charging usual depreciation if there was no impairment.

f) Investments

Investments that are readily realizable and intended to be held for not more than a year are classified as current investments. All other investments are classified as long-term investments. Long Term investments are stated at cost. Provision for diminution in the value of long- term investments is made only if such diminution is other than temporary. Current Investments are carried at the lower of cost and fair value and provisions are made to recognize the decline in the carrying value.

g) Inventories

- i) Raw materials, work-in-process, finished goods, trading stock, packing material and stores and spares parts are valued at the lower of cost and net realizable value except scrap which is valued at net realizable value.
- ii) The comparison of cost and realizable value is made on an item-by-item basis.

Notes to Financial Statements

for the year ended March 31, 2017

- iii) Cost of inventories of items that are not ordinarily interchangeable or are meant for specific projects is assigned by specific identification of their individual cost. Cost of other inventories is ascertained on the weighted average basis. In determining the cost of work-in-process and finished goods, fixed production overheads are allocated on the basis of normal capacity of production facilities.
- iv) Net realizable value of work-in-process is determined on the basis of selling prices of related finished products.
- v) Raw Material and other supplies held for use in production of inventories are not written down below cost unless their prices have declined and it is estimated that the cost of related finished goods will exceed their net realizable value.

h) Foreign Currency Transactions

- i) Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of transaction.
- ii) Foreign currency monetary items are reported using the closing rate. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction and non-monetary items which are carried at fair value or other similar valuation denominated in a foreign currency are reported using the exchange rates that existed when the values were determined.
- iii) Exchange differences arising on the settlement of monetary items or on reporting Company's monetary items at rates different from those at which they were initially recorded during the year, or reported in previous financial statements, are recognized as income or as expense in the year in which they arise.
- iv) The premium or discount arising at the inception of forward exchange contracts is amortized as expense or income over the life of the contract. Exchange differences on such contracts are recognized in the statement of profit and loss in the year in which exchange rate changes. Any profit or loss arising on cancellation or renewal of forward exchange contracts is recognized as income or expense for the year. None of the forward exchange contracts are taken for trading or speculation purpose.

i) Borrowing Costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the respective asset. All other borrowing costs are expensed in the period they occur. Borrowing costs consist of interest and other costs that Company incurs in connection with the borrowing of funds.

j) Revenue Recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be readily measured.

Sales of Goods and Services

Revenue is recognized when the significant risks and rewards of ownership of the goods have been passed to the buyer (usually at the point of dispatch to customers). Sales include excise duty, sale of scrap and net of sale tax and quantity discount.

Income from services is recognized on the completion of services. Period based services are accounted for proportionately over the period of service.

Income from Interest

Revenue is recognized on a time proportion basis taking into account the amount outstanding and the rate applicable.

Other Incomes

Other Incomes are accrued as earned except where the receipt of income is uncertain.

k) Retirement and other Employee Benefits

- i) Retirement benefits in the form of Provident Fund are a defined contribution scheme and the contributions are charged to the statement of Profit and Loss for the year when the contributions to the respective funds are due. The Company has no other obligation other than the contribution payable.
- ii) Gratuity liability is a defined benefit obligation and is provided for on the basis of an actuarial valuation on Projected Unit Credit Method calculated at the end of each financial year. The liability with regard to gratuity in respect of any employee not covered under group gratuity scheme is provided on the basis of amount payable to such employees as if they were to retire on the last day of financial year.
- iii) Compensated Absences liability is provided for based on actuarial valuation done as per Projected Unit Credit Method calculated at the end of each financial year.
- iv) Actuarial gains/losses are immediately taken to profit and loss account and are not deferred.

l) Export Incentives

Export Incentive in the form of advance licenses / credit earned under duty entitlement pass book scheme are treated as income in the year of export at the estimated realizable value / actual credit earned on exports made during the year.

m) Taxes on Income

Tax expense comprises of current and deferred tax. Current income tax is determined as the amount of tax payable in respect of taxable income for the year based on provisions of Income Tax Act, 1961. Deferred income tax reflects the impact of current year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years.

Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the balance sheet date. Deferred tax assets and deferred tax liabilities are offset, if legally and enforceable right exist to set off current tax asset against current tax liabilities and the deferred tax assets and deferred tax liabilities relate to the taxes on income levied by same governing taxation laws.

Notes to Financial Statements

for the year ended March 31, 2017

Deferred tax assets are recognized only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. In case of unabsorbed depreciation and carry forward tax losses, all deferred tax assets are recognized only if there is virtual certainty supported by convincing evidence that they can be realized against future taxable profits.

At each balance sheet date the Company re-assesses unrecognized deferred tax assets. It recognizes unrecognized deferred tax assets to the extent that it has become reasonably certain or virtually certain, as the case may be that sufficient future taxable income will be available against which such deferred tax assets can be realized.

The carrying amount of deferred tax assets are reviewed at each balance sheet date. The Company writes-down the carrying amount of a deferred tax asset to the extent that it is no longer reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which deferred tax asset can be realized. Any such write-down is reversed to the extent that it becomes reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available.

Minimum Alternative Tax (MAT) credit is recognized as an asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period. In the year in which the MAT credit becomes eligible to be recognized as an asset in accordance with the recommendations contained in Guidance Note issued by the Institute of Chartered Accountants of India, the said asset is created by way of a credit to the statement of profit and loss and shown as MAT. The Company reviews the same at each balance sheet date and writes down the carrying amount of MAT Credit Entitlement to the extent there is no longer convincing evidence to the effect that Company will pay normal Income Tax during the specified period.

n) Operating Leases

Assets given on operating leases are included in fixed assets. Lease income is recognized in the Statement of Profit and Loss on a straight-line basis over the lease term. Costs, including depreciation are recognized as an expense in the Statement of Profit and Loss. Initial direct costs such as legal costs, brokerage costs, etc. are recognized immediately in the Statement of Profit and Loss.

o) Earnings Per Share

The Company reports basic and diluted earnings per share in accordance with Notified AS 20 under the Companies (Accounting Standards) Rules, 2006 issued by The Institute of Chartered Accountants of India on 'Earnings Per Share'. Basic earnings per share is computed by dividing the net profit or loss for the period attributable to equity shareholders after deducting attributable taxes by the weighted average number of equity shares outstanding during the period. Diluted earnings per share are computed by dividing the net profit or loss for the period by the weighted average number of equity shares outstanding during the period.

Both profit for the year and weighted average numbers of shares are adjusted for the effects of all diluted potential equity shares except where the results are anti-dilutive.

p) Provisions, Contingent Liabilities and Contingent Assets

As per Notified AS 29 under the Companies (Accounting Standards) Rules, 2006, Provisions, Contingent Liabilities and Contingent Assets, issued by the Institute of Chartered Accountants of India, the Company recognizes provisions (without discounting to its present value) only when it has a present obligation as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation as and when a reliable estimate of the amount of the obligation can be made.

No provision is recognized for –

Any possible obligation that arises from past events and the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company; or

Any present obligation that arises from past events but is not recognized because –

- It is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation; or
- A reliable estimate of the amount of obligation cannot be made.

Such obligations are disclosed as Contingent Liabilities. These are assessed continually and only that part of the obligation for which an outflow of resources embodying economic benefits is probable, is provided for, except in the extremely rare circumstances where no reliable estimate can be made.

q) Miscellaneous Expenditure

Expenditure on issue of shares / foreign currency convertible bonds (FCCBs) / Global Depository Receipts (GDRs) / shares under Qualified Institutional Placements (QIP) and premium on redemption of FCCBs are adjusted against Securities Premium account.

INDEPENDENT AUDITORS' REPORT ON CONSOLIDATED FINANCIAL STATEMENTS

TO THE MEMBERS OF AKSH OPTIFIBRE LIMITED

Report on the Consolidated Financial Statements

We have audited the accompanying Consolidated Financial Statements of AKSH OPTIFIBRE LIMITED (hereinafter referred to as "the Holding Company") and its subsidiaries (the Company and its subsidiaries together referred to as "the Group"), which comprise of the Consolidated Balance Sheet as at March 31, 2017, the Consolidated Statement of Profit and Loss, the Consolidated Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements"). This report is issued in supersession of our earlier report dated May 22, 2017, to the extent of matters stated in emphasis of matters below.

Management's Responsibility for the Consolidated Financial Statements.

The Holding Company's Board of Directors is responsible for the preparation of these consolidated financial statements in terms of the requirements of the Companies Act, 2013 ("the Act") that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Company(Accounts) Rules, 2014. The respective Board of Directors of the Company included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of these Consolidated Financial Statements by the Board of Directors of the Holding Company, as aforesaid.

Auditor's Responsibility

Our responsibility is to express an opinion on these Consolidated Financial Statements based on our audit. While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Consolidated Financial Statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error.

In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the Consolidated Financial Statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the Consolidated Financial Statements.

We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditors referred to in the 'Other Matters' paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the Consolidated Financial Statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of reports of other auditors' on separate financial statement of the subsidiary, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:

- i. in the case of the Consolidated Balance sheet, of the state of affairs of the Group as at March 31, 2017;
- ii. in the case of the Consolidated Profit and Loss, of the Profit of the Group for the year ended on that date; and
- iii. in the case of the Consolidated Cash Flow Statement, of the cash flows of the Group for the year ended on that date.

Emphasis of Matter

We draw attention to Note 38 of the accompanying Consolidated Financial Statements. The consolidated financial statements of the Company for the year ended March 31, 2017 were earlier approved by the Board of Directors at its meeting held on May 22, 2017. These Consolidated Financial Statements have been revised by the Company so as to give effect to the schemes of amalgamation under Sections 391 to 394 of the Companies Act, 1956 and Sections 230 to 236 of the Companies Act, 2013 and other applicable provisions of the Companies Act, 1956 and Companies Act, 2013, of APAKSH Broadband Limited (Subsidiary Company), into the Company, consequent to obtaining approvals from Honourable National Company Law Tribunal vide its order dated November 08, 2017, with effect from appointed date, April 01, 2016 for the merger. As a result, the aforesaid consolidated financial statements have been revised by the Company to give effect to the said scheme of amalgamation. Accordingly, we are issuing this revised report, on the revised consolidated financial statements of the Company for the financial year ended March 31, 2017 in supersession of the original report dated May 22, 2017, which hereby stands withdrawn. Our opinion is not modified in respect of these matters.

Other Matters

We did not audit the financial statements of one foreign subsidiary company, whose financial statements reflect total assets of Rs. 21,261.16 Lakhs as at March 31, 2017, total revenues of Rs. 3,242.72 Lakhs and net cash inflows/(outflows) amounting to Rs. ANNEXURE "A" TO THE INDEPENDENT AUDITORS' REPORT

(Referred to in paragraph (f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Report on the Internal Financial Controls over financial reporting under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')

We have audited the internal financial controls over financial reporting of AKSH OPTIFIBRE LIMITED ('the Holding Company') and its subsidiary Companies which incorporated in India as at March 31, 2017, as of that date. In conjunction with our audit of the Consolidated Financial Statements of the Company for the year ended and as on that date.

Management's Responsibility for Internal Financial Controls

The Respective Board of Directors of the Company and its subsidiary Companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company and its subsidiary Companies incorporated in India considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (the 'Guidance Note'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the 'Guidance Note') issued by ICAI and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors of the subsidiary Companies incorporated in India, in terms of their reports referred to in the Other Matter paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion to the best of our information and according to the explanations given to us, the Company and its subsidiary Companies, incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2017, based on the internal control over financial reporting criteria established by the Company and its subsidiary Companies incorporated in India considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

Notes to Consolidated Financial Statements

for the year ended March 31, 2017

1. CORPORATE INFORMATION

Aksh Optifibre Limited is a public Company domiciled in India and incorporated under the provisions of the Companies Act, 2013. Its shares are listed at The Bombay Stock Exchange Limited and The National Stock Exchange Limited in India. The Company is engaged in the manufacturing and selling of Optical Fibre, Optical Fibre Cable, Fibre Reinforced Plastic Rods and Impregnated Glass Roving Reinforcement. The Company caters to both domestic and international markets. The Company also provides the E Governance services, FTTH and Internet Protocol Television (IPTV) services in North India.

2. STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES TO THE CONSOLIDATED FINANCIAL STATEMENTS

The significant accounting policies adopted by Aksh Optifibre Limited (the Company) and its subsidiaries (hereinafter referred to as the "Group") in respect of these Consolidated Financial Statements, are set out below.

2.1. SIGNIFICANT ACCOUNTING POLICIES

a) Basis of Preparation

These consolidated financial statements have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards notified under the Companies Act, 2013. Additional disclosures specified in the Accounting Standards shall be made in the notes to accounts or by way of additional statement unless required to be disclosed on the face of the Financial Statements. Similarly, all other disclosures as required by the Companies Act, 2013 shall be made in the notes to accounts in addition to the requirements set out in this Schedule. These consolidated financial statements are prepared under the historical cost convention on the accrual basis of accounting and in accordance with the reporting requirements of Accounting Standard - 21 'Consolidated Financial Statements' issued by the ICAI.

b) Principles of Consolidation

These accounts represent consolidated accounts of the Group and its majority owned subsidiaries as follows :

Entity	Country of Incorporation	Shareholding as at March 31, 2017
AOL FZE	UAE	100%
Aksh Composites Private Limited (Formerly known as Unitape Mandovi Composites Private Limited)	India	100%

c) Use of Estimates

The preparation of the financial statements is in conformity with the generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent liabilities at the date of the financial statements and the reported amount of revenues and expenses during the reporting year. Difference between the actual result and estimates are recognized in the year in which the results are known/materialized.

d) Fixed Assets

- Property plant and equipment's and intangible assets are stated at cost of acquisition less accumulated depreciation and impairment. Cost includes any borrowing costs directly attributable to the acquisition/ construction of fixed assets and bringing the assets to its working condition for its intended use.
- Exchange difference arising on account of liabilities incurred for acquisition or construction of Fixed Assets is adjusted in the carrying amount of related Fixed Assets.

e) Capital Work-in-Progress

Costs of assets not ready for use before the year-end and expenditure during construction period that is directly or indirectly related to construction, including borrowing costs are included under Capital Work-in-Progress.

f) Depreciation

Depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value. Depreciation on property plant and equipment's has been provided on the straight-line method as per the useful life prescribed in Schedule II to the Companies Act, 2013 except in respect of the following categories of assets, in whose case the life of the assets has been assessed as under based on technical advice, taking into account the nature of the asset, the estimated usage of the asset, the operating conditions of the asset, past history of replacement, anticipated technological changes, manufacturers warranties and maintenance support, etc.:

Particulars	Useful life in years
Factory Buildings	28
Plant and equipment including Telecom Networking , Testing instrument, electrical equipment's, Fork lift and office equipment	20
Furniture and fixtures	15
Data Processing System	5

Leasehold land is amortized over the duration of the lease.

Intangible assets are amortized over their estimated useful life on straight line method.

g) Impairment of Assets

- The carrying amounts of assets are reviewed at each balance sheet date if there is any indication of impairment based on internal/external factors. An impairment loss is recognized wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the asset's net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted at their present value at the weighted average cost of capital.
- After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life.
- A previously recognized impairment loss is increased or reversed depending on changes in circumstances. However, the carrying value after reversal is not increased beyond the carrying value that would have prevailed by charging usual depreciation if there was no impairment.

Notes to Consolidated Financial Statements

for the year ended March 31, 2017

h) Investments

Investments that are readily realizable and intended to be held for not more than a year are classified as current investments. All other investments are classified as long-term investments. Long Term investments are stated at cost. Provision for diminution in the value of long-term investments is made only if such diminution is other than temporary. Current Investments are carried at the lower of cost and fair value and provisions are made to recognize the decline in the carrying value.

i) Inventories

- i) Raw materials, work-in-process, finished goods, trading stock, packing material and stores and spares parts are valued at the lower of cost and net realizable value except scrap which is valued at net realizable value.
- ii) Cost of inventories of items that are not ordinarily interchangeable or are meant for specific projects is assigned by specific identification of their individual cost. Cost of other inventories is ascertained on the weighted average basis. In determining the cost of work-in-process and finished goods, fixed production overheads are allocated on the basis of normal capacity of production facilities.
- iii) The comparison of cost and realizable value is made on an item-by-item basis.
- iv) Net realizable value of work-in-process is determined on the basis of selling prices of related finished products.
- v) Raw Material and other supplies held for use in production of inventories are not written down below cost unless their prices have declined and it is estimated that cost of related finished goods will exceed their net realizable value.

j) Foreign Currency Transactions

- i) Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of transaction.
- ii) Foreign currency monetary items are reported using the closing rate. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction; and non-monetary items which are carried at fair value or other similar valuation denominated in a foreign currency are reported using the exchange rates that existed when the values were determined.
- iii) Exchange differences arising on the settlement of monetary items or on reporting Company's monetary items at rates different from those at which they were initially recorded during the year, or reported in previous financial statements, are recognized as income or as expense in the year in which they arise.

- iv) The premium or discount arising at the inception of forward exchange contracts is amortized as expense or income over the life of the contract. Exchange differences on such contracts are recognized in the statement of profit & loss in the year in which exchange rate changes. Any profit or loss arising on cancellation or renewal of forward exchange contracts is recognized as income or expense for the year. None of the forward exchange contracts are taken for trading or speculation purpose.

k) Borrowing Costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the respective asset. All other borrowing costs are expensed in the period they occur. Borrowing costs consist of interest and other costs that Company incurs in connection with the borrowing of funds.

l) Revenue Recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be readily measured.

Sales of Goods and Services

Revenue is recognized when the significant risks and rewards of ownership of the goods have been passed to the buyer (usually at the point of dispatch to customers). Sales include excise duty, sale of scrap and net of sale tax and quantity discount.

Income from services is recognized on the completion of services. Period based services are accounted for proportionately over the period of service.

Income from Interest

Revenue is recognized on a time proportion basis taking into account the amount outstanding and the rate applicable.

Other Incomes

Other Incomes are accrued as earned except where the receipt of income is uncertain.

m) Retirement and other Employee Benefits

- i) Retirement benefits in the form of Provident Fund are a defined contribution scheme and the contributions are charged to the Profit and Loss Account for the year when the contributions to the respective funds are due. The company has no other obligation other than the contribution payable.
- ii) Gratuity liability is a defined benefit obligation and is provided for on the basis of an actuarial valuation on Projected Unit Credit Method calculated at the end of each financial year. The liability with regard to gratuity in respect of any employee not covered under group gratuity scheme is provided on the basis of amount payable to such employees as if they were to retire on the last day of financial year.
- iii) Leave Encashment liability is provided for based on actuarial valuation done as per Projected Unit Credit Method calculated at the end of each financial year.
- iv) Actuarial gains/losses are immediately taken to the statement of profit and loss and are not deferred.

Notes to Consolidated Financial Statements

for the year ended March 31, 2017

n) Export Incentives

Export Incentive in the form of advance licenses / credit earned under duty entitlement pass book scheme are treated as income in the year of export at the estimated realizable value / actual credit earned on exports made during the year.

o) Taxes on Income

Income taxes are computed using the tax effect accounting method where taxes are accrued in the same period, as the related revenue and expenses to which they relate. The differences that result between profit offered for income tax and the profit before tax as per financial statements are identified and deferred tax assets or deferred tax liabilities are recorded for timing differences, namely differences that originate in one accounting period and are capable of reversal in future. Deferred tax assets and liabilities are measured using tax rates and tax laws enacted or substantively enacted by the balance sheet date.

Deferred tax assets are recognized only if there is reasonable certainty that they will be realized. However, where the Company has unabsorbed depreciation or carried forward losses under taxation laws, a much stricter test, viz, virtual certainty of realization, is applied for recognition of deferred tax assets. Deferred tax assets are reviewed for the continuing appropriateness of their respective carrying values at each balance sheet date and written down or written up to reflect the amount that is reasonably/ virtually certain (as the case may be) of realization.

Minimum Alternative Tax (MAT) credit is recognized as an asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period. In the year in which the MAT credit becomes eligible to be recognized as an asset in accordance with the recommendations contained in Guidance Note issued by the Institute of Chartered Accountants of India, the said asset is created by way of a credit to the statement of profit and loss and shown as MAT Credit Entitlement. The Company reviews the same at each balance sheet date and writes down the carrying amount of MAT Credit Entitlement to the extent there is no longer convincing evidence to the effect that Company will pay normal Income Tax during the specified period.

p) Operating Leases

Assets given on operating leases are included in fixed assets. Lease income is recognized in the Statement of Profit and Loss on a straight-line basis over the lease term. Costs, including depreciation are recognized as an expense in the Statement of Profit and Loss. Initial direct costs such as legal costs, brokerage costs, etc. are recognized immediately in the Statement of Profit and Loss.

q) Earnings Per Share

The Group reports basic and diluted earnings per share in accordance with Notified AS 20 under the Companies (Accounting Standards) Rules, 2006 issued by The Institute of Chartered Accountants of India on 'Earnings Per Share'. Basic earnings per share is computed by dividing the net profit or loss for the period attributable to equity shareholders after deducting attributable taxes by the weighted average number of equity shares outstanding during the period.

Diluted earnings per share are computed by dividing the net profit or loss for the period by the weighted average number of equity shares outstanding during the period. Both profit for the year and weighted average numbers of shares are adjusted for the effects of all diluted potential equity shares except where the results are anti-dilutive.

r) Provisions, Contingent Liabilities and Contingent Assets

As per Notified AS 29 under the Companies (Accounting Standards) Rules, 2006, Provisions, Contingent Liabilities and Contingent Assets, issued by the Institute of Chartered Accountants of India, the Company recognizes provisions (without discounting to its present value) only when it has a present obligation as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation as and when a reliable estimate of the amount of the obligation can be made.

No provision is recognized for –

Any possible obligation that arises from past events and the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company; or

Any present obligation that arises from past events but is not recognized because –

- It is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation; or
- A reliable estimate of the amount of obligation cannot be made.

Such obligations are disclosed as Contingent Liabilities. These are assessed continually and only that part of the obligation for which an outflow of resources embodying economic benefits is probable, is provided for, except in the extremely rare circumstances where no reliable estimate can be made.

s) Project Development Expenditure

Expenses incurred relating to project prior to commencement of commercial production / start of the project is classified as Project Development Expenditure net of income earned during the project development stage.

t) Miscellaneous Expenditure

Expenditure on issue of shares / foreign currency convertible bonds (FCCBs) / Global Depository Receipts (GDRs) / shares under Qualified Institutional Placements (QIP) and premium on redemption of FCCBs are adjusted against Securities Premium account.

u) Translation of Foreign Subsidiary

In case of foreign subsidiary, the revenue and expense transactions at the year end reflected in the Statement of Profit and Loss have been translated at the average exchange rates for the period to which the financial statements relate.

The assets & liabilities, both monetary and non-monetary, have been translated at the closing exchange rate prevailing on the date of the Balance Sheet.

Exchange difference arising on the Company's net investment in foreign subsidiary are accumulated in a foreign currency translation reserve until the disposal of such investment, at which time they are recognized as income and expense.

Safe Harbour Statement

In this annual report, we have disclosed forward-looking information to enable investors to comprehend our prospects and take informed investment decisions. This report and other statements – written and oral – that we periodically make, contain forward-looking statements that set out anticipated results based on the management's plans and assumptions. We have tried wherever possible to identify such statements by using words such as 'anticipates', 'estimates', 'expects', 'projects', 'intends', 'plans', 'believes' and words of similar substance in connection with any discussion on future performance. We cannot guarantee that these forward-looking statements will be realised, although we believe we have been prudent in assumptions. The achievement of results is subject to risks, uncertainties and even inaccurate assumptions. Should known or unknown risks or uncertainties materialise, or should underlying assumptions prove inaccurate, actual results could vary materially from those anticipated, estimated or projected. We undertake no obligation to publicly update any forward looking statements, whether as a result of new information, future events or otherwise.
