INDEPENDENT AUDITORS' REPORT

To The Members of **AKSH COMPOSITES PRIVATE LIMITED**
(formerly known as Mandovi Composites Private Limited)

Report on financial statements

We have audited the accompanying financial statements of **AKSH COMPOSITES PRIVATE LIMITED** (formerly known as Mandovi Composites Private Limited) ('the Company') which comprise the Balance Sheet as at March 31, 2017, Statement of Profit and Loss and Cash Flow Statement for the year than ended and a summary of significant accounting policies and other explanatory information.

Management's responsibility for financial statements

The Company's Board of Directors is responsible for the matters in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation & presentation of these Financial Statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes the maintenance of adequate accounting records in accordance with the provision of the Act for safeguarding of the assets of the Company and for preventing and detecting the frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of internal financial control, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these Financial Statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matter's which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Financial Statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by Company's Directors, as well as evaluating the overall presentation of the financial statements.

"Annexure B" to the Independent Auditor's Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **AKSH COMPOSITES PRIVATE LIMITED** (formerly known as Mandovi Composites Private Limited) ("the Company") as of March 31, 2017 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

(1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;

(2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and

(3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion to the best of our information and according to the the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2017, based on internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

AKSH COMPOSITES PRIVATE LIMITED

(Formerly known as Unitape Mandovi Composites Private Limited)

NOTES TO FINANCIAL STATEMENT FOR THE YEAR ENDED AS AT MARCH 31, 2017

1 CORPORATE INFORMATION

Aksh Composites Private Limited is a Private Company domiciled in India and incorporated under the provisions of the Companies Act, 2013. The Company is engaged in the manufacturing and selling of Fibre Reinforced Plastic Rods, The Company caters to both domestic and international markets.

2 BASIS OF PREPARATION

The financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards notified under Companies Act, 2013. Additional disclosures specified in the Accounting Standards shall be made in the notes to accounts or by way of additional statement unless required to be disclosed on the face of the Financial Statements. Similarly, all other disclosures as required by the Companies Act, 2013 shall be made in the notes to accounts in addition to the requirements set out in this Schedule.

2.1 SIGNIFICANT ACCOUNTING POLICIES

a) Use of Estimates

The preparation of the financial statements is in conformity with the generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent liabilities at the date of the financial statements and the reported amount of revenues and expenses during the reporting year. Difference between the actual result and estimates are recognized in the year in which the results are known/ materialized.

b) Fixed Assets

i) Property plant and Equipment are stated at cost of acquisition less accumulated depreciation and impairment. Cost includes any borrowing costs directly attributable to the acquisition/ construction of fixed assets and bringing the assets to its working condition for its intended use.

ii) Exchange difference arising on account of liabilities incurred for acquisition or construction of Fixed Assets is adjusted in the carrying amount of related Fixed Assets.

Leasehold land is amortized over the duration of the lease.

Intangible assets are amortized over their estimated useful life on straight line method.

c) Capital Work-in-Progress

Costs of assets not ready for use before the year-end and expenditure during construction period that is directly or indirectly related to construction, including borrowing costs are included under Capital Work-in-Progress.

d) Depreciation

Depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value based on the technical advice.

Depreciation on property plant and equipments assets has been provided on the straight-line method as per the useful life prescribed in Schedule II to the Companies Act, 2013

e) Impairment of Assets

i) The carrying amounts of assets are reviewed at each balance sheet date if there is any indication of impairment based on internal/external factors. An impairment loss is recognized wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the asset's net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted at their present value at the weighted average cost of capital.

ii) After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life.

iii) A previously recognized impairment loss is increased or reversed depending on changes in circumstances. However, the carrying value after reversal is not increased beyond the carrying value that would have prevailed by charging usual depreciation if there was no impairment.

f) Investments

Investments that are readily realizable and intended to be held for not more than a year are classified as current investments. All other investments are classified as long-term investments. Long Term investments are stated at cost. Provision for diminution in the value of long- term investments is made only if such diminution is other than temporary. Current Investments are carried at the lower of cost and fair value and provisions are made to recognize the decline in the carrying value.

g) Inventories

i) Raw materials, work-in-process, finished goods, trading stock, packing material and stores and spares parts are valued at the lower of cost and net realizable value except scrap which is valued at net realizable value.

ii) Cost of inventories of items that are not ordinarily interchangeable or are meant for specific projects is assigned by specific identification of their individual cost. Cost of other inventories is ascertained on the Weighted Average basis. In determining the cost of work-in-process and finished goods, fixed production overheads are allocated on the basis of normal capacity of production facilities.

- iii) The comparison of cost and realizable value is made on an item-by-item basis.
- iv) Net realizable value of work-in- process is determined on the basis of selling prices of related finished products.
- v) Raw Material and other supplies held for use in production of inventories are not written down below cost unless their prices have declined and it is estimated that the cost of related finished goods will exceed their net realizable value.
- h) **Foreign Currency Transactions**
- i) Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of transaction.
- ii) Foreign currency monetary items are reported using the closing rate. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction; and non-monetary items which are carried at fair value or other similar valuation denominated in a foreign currency are reported using the exchange rates that existed when the values were determined.
- iii) Exchange differences arising on the settlement of monetary items or on reporting Company's monetary items at rates different from those at which they were initially recorded during the year, or reported in previous financial statements, are recognized as income or as expense in the year in which they arise.
- iv) The premium or discount arising at the inception of forward exchange contracts is amortized as expense or income over the life of the contract. Exchange differences on such contracts are recognized in the statement of profit & loss in the year in which exchange rate changes. Any profit or loss arising on cancellation or renewal of forward exchange contracts is recognized as income or expense for the year. None of the forward exchange contracts are taken for trading or speculation purpose.
- i) **Borrowing Costs**
Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the respective asset. All other borrowing costs are expensed in the period they occur. Borrowing costs consist of interest and other costs that Company incurs in connection with the borrowing of funds.
- j) **Revenue Recognition**
Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be readily measured.
- Sales of Goods and Services**
Revenue is recognized when the significant risks and rewards of ownership of the goods have been passed to the buyer (usually at the point of dispatch to customers). Sales include excise duty, sale of scrap and net of sale tax and quantity discount.
- Income from services is recognized on the completion of services. Period based services are accounted
- Income from Interest**
Revenue is recognized on a time proportion basis taking into account the amount outstanding and the rate applicable.
- Other Incomes**
Other incomes are accrued as earned except where the receipt of income is uncertain.
- k) **Retirement and other Employee Benefits**
- i) Retirement benefits in the form of Provident Fund are a defined contribution scheme and the contributions are charged to the statement of Profit and Loss for the year when the contributions to the respective funds are due. The Company has no other obligation other than the contribution payable.
- ii) Gratuity liability is a defined benefit obligation and is provided for on the basis of an actuarial valuation on Projected Unit Credit Method calculated at the end of each financial year. The liability with regard to gratuity in respect of any employee not covered under group gratuity scheme is provided on the basis of amount payable to such employees as if they were to retire on the last day of financial year.
- iii) Compensated Absences liability is provided for based on actuarial valuation done as per Projected Unit Credit Method calculated at the end of each financial year.
- iv) Actuarial gains/losses are immediately taken to profit and loss account and are not deferred.

l) **Export Incentives**

Export Incentive in the form of advance licenses / credit earned under duty entitlement pass book scheme are treated as income in the year of export at the estimated realizable value / actual credit earned on exports made during the year.

m) **Taxes on Income**

Tax expense comprises of current and deferred tax. Current income tax is determined as the amount of tax payable in respect of taxable income for the year based on provisions of Income Tax Act, 1961. Deferred income tax reflects the impact of current year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years.

Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the balance sheet date. Deferred tax assets and deferred tax liabilities are offset, if legally and enforceable right exist to set off current tax asset against current tax liabilities and the deferred tax assets and deferred tax liabilities relate to the taxes on income levied by same governing taxation laws. Deferred tax assets are recognized only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. In case of unabsorbed depreciation and carry forward tax losses, all deferred tax assets are recognized only if there is virtual certainty supported by convincing evidence that they can be realized against future taxable profits.

At each balance sheet date the Company re-assesses unrecognized deferred tax assets. It recognizes unrecognized deferred tax assets to the extent that it has become reasonably certain or virtually certain, as the case may be that sufficient future taxable income will be available against which such deferred tax assets can be realized.

The carrying amount of deferred tax assets are reviewed at each balance sheet date. The Company writes-down the carrying amount of a deferred tax asset to the extent that it is no longer reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which deferred tax asset can be realized. Any such write down is reversed to the extent that it becomes reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available.

Minimum Alternative Tax (MAT) credit is recognized as an asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period. In the year in which the MAT credit becomes eligible to be recognized as an asset in accordance with the recommendations contained in Guidance Note Issued by the Institute of Chartered Accountants of India, the said asset is created by way of a credit to the statement of profit and loss and shown as MAT. The Company reviews the same at each balance sheet date and writes down the carrying amount of MAT Credit Entitlement to the extent there is no longer convincing evidence to the effect that Company will pay normal Income Tax during the specified period.

n) **Earnings Per Share**

The Company reports basic and diluted earnings per share in accordance with Notified AS 20 under the Companies (Accounting Standards) Rules, 2006 issued by The Institute of Chartered Accountants of India on 'Earnings Per Share'. Basic earnings per share is computed by dividing the net profit or loss for the period attributable to equity shareholders after deducting attributable taxes by the weighted average number of equity shares outstanding during the period. Diluted earnings per share are computed by dividing the net profit or loss for the period by the weighted average number of equity shares outstanding during the period. Both profit for the year and weighted average numbers of shares are adjusted for the effects of all diluted potential equity shares except where the results are anti-dilutive.

o) **Provisions, Contingent Liabilities and Contingent Assets**

As per Notified AS 29 under the Companies (Accounting Standards) Rules, 2006, Provisions, Contingent Liabilities and Contingent Assets, issued by the Institute of Chartered Accountants of India, the Company recognizes provisions (without discounting to its present value) only when it has a present obligation as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation as and when a reliable estimate of the amount of the obligation can be made.

No provision is recognized for –

Any possible obligation that arises from past events and the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company; or

Any present obligation that arises from past events but is not recognized because –

- It is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation; or
- A reliable estimate of the amount of obligation cannot be made.

Such obligations are disclosed as Contingent Liabilities. These are assessed continually and only that part of the obligation for which an outflow of resources embodying economic benefits is probable, is provided for, except in the extremely rare circumstances where no reliable estimate can be made.
